## About Us

Since our inception in the year 2009, our organization, Arjun Bees Wax Industries, has been a trusted manufacturer, exporter, importer and supplier in the domain. Our product range includes matchless quality Beeswax, Yellow Bees Wax and Yellowish, Micro Crystalline Wax White, Borocin Powder, Pure Bees Wax, Emulsifying Wax Non Ionic Powder/Slab and allied products. The offered Bees Wax White is widely recognized in the markets across the world owing to their low-acid better viscosity, non-toxic property, purity and non-polluting burning. These qualities have made our Bees Wax White widely used in cosmetics, pharmaceutical preparations, candle making and many other areas of application.

Our unparalleled range of products has made us a well established vendor in various export markets like Thailand, USA, China, Egypt, Malaysia and Germany. Our expertise in processing products and managing the different aspects of our business have gained us certifications from ISO 9001:2008, GHP(GOOD HYGINE PRACTICE), HACCP and WHO-GMP. We are well associated firm, and feel proud to be the member of CHEMEXIL and SSI. With the support of our highly advanced infrastructure, we have been able to serve our clients in a very effective manner. Our dedicated and intelligent team members contribute their hard work for the expansion and growth of our organization.
